Dear Friends & Colleagues,

It is with great enthusiasm that we invite you to participate in the Yashoda Cervical Spine Boot Camp & Cadaveric Workshop, to be held at Yashoda Hospitals, Secunderabad. This premier event is designed to bring together leading Neurosurgeons and Orthopedic spine surgeons to exchange knowledge, refine surgical skills, and explore the latest advancements in cervical spine management

At Yashoda Hospitals, we are committed to fostering excellence in spine care through continuous education and hands-on training. This boot camp offers a unique platform for practical learning, expert interactions, and collaborative discussions aimed at elevating standards of patient care and surgical outcomes

We look forward to welcoming distinguished participants and facilitating a stimulating environment for professional growth and innovation

May this workshop inspire you, challenge you, and ultimately strengthen your dedication to the art and science of Cervical Spine surgery

Together, let's push the boundaries of spine surgery excellence

We look forward to seeing you in the City of Pearls, Hyderabad, Telangana
