Director - Yashoda Hospitals

GUEST OF HONOUR

Dr. A. Lingaiah
Director - Medical Services
Yashoda Hospitals

HOSPITAL HEAD

Dr. Vijay Kumar
Unit Head
Yashoda Hospitals, Secunderabad

Message from Managing Director:

In healthcare, the dependence on medical technology cannot be overstated, and as a result of the development of these brilliant innovations, healthcare practitioners can continue to find ways to improve diagnosis, surgical procedure, and improved patient care.

Yashoda Institute of Gastroenterology is equipped with all basic and advanced endoscopic services. Our center offers ERCP procedures, EUS, Endoscopic Bariatric Procedure, Spy glass cholangioscopy, Endocytoscopy, third space procedures and other latest modalities. As the field of Gastroenterology is rapidly enriching with the latest interventions, we need to keep pace with the advanced therapeutic and diagnostic modalities and share knowledge on recent advances. Organizing conferences, symposia & workshops would enhance the knowledge of all.

It is with this very aim Yashoda Hospitals is proud to organize an “International Conference on Art & Science of Gastroenterology 2025”. This two days program is focused on the latest interventions and procedures in Gastroenterology comprising of CME and Hands-on procedures & workshop.

I wish this course on endoscopy will enrich the participants with current insights and aid them to gain expertise under the guidance of skilled and dedicated faculty who are well-versed with the recent practices.

Dr. G. Surender Rao
Managing Director
Yashoda Group of Hospitals

Dear Colleagues,

On behalf of the organizing committee, it is our pleasure to welcome you to the International Conference on Art & science of Gastroenterology 2025 and to the city of pearls – Hyderabad on November 1 & 2, 2025. As the field of Gastroenterology continues to expand and develop at a rapid pace, this 2 day conference will focus on best practices in Gastroenterology from basics to the most advanced diagnostics and therapeutics. Highlights of the conference would be the Hands on procedures & live workshop. The two days of the congress is exclusively tailored to impart knowledge in the areas of EUS, NBI, Endocytoscopy, 3rd space etc through sessions.

We are proud to bring you a great synergy of expertise from internationally renowned faculties and pioneers in Gastroenterology through International Conference on Art & science of Gastroenterology 2025. the scientific program is targeted to provide tangible benefits and networking opportunities to current Gastroenterologists, it also provides a tremendous environment for early career members to learn about future prospects and professional development activities.

International Conference on Art & science of Gastroenterology 2025 is mentioned by a host of distinguished National & International faculty with decades of experience in Gastroenterology. In addition to the outstanding scientific program, we hope that you will find time to explore the city of pearls- Hyderabad

Welcome to the “City of Pearls”, Hyderabad and experience GE Conference 2025

We look forward to see you at the conference.

Dr. Pavan Gorukanti, MD
Pulmonary & Critical Care (ABIM)
Director - Yashoda Hospitals

Dear Friends

It is indeed a great honour to address dedicated doctors of the medical profession. It would be a pleasure to have you amongst us during the 'International Conference on Art & science of Gastroenterology 2025' in November. We are arranging a series of lectures which highlights the recent trends in Gastroenterology & Endoscopy. Practice of Gastroenterology has moved from conservative practice to a highly skilled intervention oriented work. In the process, early lesions are identified to give a cure; and at the same time, best of palliative care is provided to the needy & suffering.

On day 1, that is on 1st November 2025 there will be updates, live cases & workshop. On day 2 i.e. 2nd November 2025 updates and live case demonstrations on advanced endoscopic procedures will be transmitted from Yashoda hospitals. . The programme is being conducted under the guidance of skilled & dedicated doctors who are well versed with the current practices. The hands on procedure in the workshop would be useful for those interested to try the gadgets on models. The 'Hands on' workshop would be of high quality & would be attractive to all.

Hoping we all will have two days of scientific & personal bonding.

Thanking You

With Warm Regards

Dr. B. Ravi Shankar

Director - GI Services

PROGRAM SCHEDULE NOVEMBER 1, 2025

DAY - 1
PINK BALL IN GASTROENTEROLOGY

09:00 - 09:15 am	Topic	:	From Scope to Robot: Redefining GI future
09:15 - 09:30 am	Topic	:	AI in Gastroenterology- Is it a game changer?
09:30 - 09:45 am	Topic	:	Endocytoscopy in GI practice
09:45 - 10:00 am	Topic	:	Spy Glass Cholangioscopy- From shadows to clarity

MANAGEMENT OF OBESITY: RECENT TRENDS

10:10 - 10:30 AM	Topic	:	Slimming science: New frontiers in obesity drug therapy
10:30 - 10:50 AM	Topic	:	Redefining minimally invasive Bariatrics
10:50 - 11:10 AM	Topic	:	Clash of sleeves- Scope vs Scalpel
11:10 - 11:30 AM		:	TEA & Inaugural Ceremony

UGI MOTILITY DISORDERS: USAGE OF HYBRIDS & SPEED BOATS

11:30 - 11:50 am	Topic	:	Achalasia Diagnosis 2025 - The new tools
11:50 - 12:10 pm	Topic	:	Indications for ESD- The green and red lights
12:10 - 12:30 pm	Topic	:	Training for the tunnel: Time to set standards
12:30 - 12:50 pm	Topic	:	Closing the gap: Advances in closure after ESD
01:00 - 02:00 pm	Topic	:	Live Demonstration from Yashoda (ESG, IGB, ESD)
02:00 - 02:30 pm		:	LUNCH

PRIMER ON LIVER TRANSPLANTATION

02:30 - 02:50 PM		:	Liver Transplantation listing criteria - Who, When & how to Optimize.
------------------	--	---	--

IMAGE ENHANCED ENDOSCOPY

03:00 - 03:15 pm	Topic	:	Colonic IEE- From Adenomas to early cancer
03:15 - 03:30 pm	Topic	:	NBI to AI - The new era of Esophageal imaging
03:30 - 03:45 pm	Topic	:	Gastric Imaging- Beyond White light
04:00 - 04:30 pm		:	Live from Yashoda (Gastric NBI;Colonic NBI)

PROGRAM SCHEDULE NOVEMBER 1, 2025

DAY - 1

HOT TOPICS

04:30 - 04:50 Pm	:	Drug therapy of MASLD
04:50 - 05:10 Pm	:	Chronic Pancreatitis- ERCP vs Surgery (Debate)
05:10 - 05:20 Pm	:	RFA In Gastroenterology
05:20 - 05:40 Pm	:	Potpourri - Intresting Videos
06:00 - 06.30 Pm	:	Live demonstration (EUS)
06:15 - 07.45 Pm	:	Hands on Workshop: 1st November 2025
08:00 Pm	:	Dinner

06:15 -07:45 PM

HANDS ON WORKSHOP

- 1. Hot Axios in Model**
- 2. EUS FNA- Model**
- 3. ESG- Wet model**
- 4. Spy Glass & EHL**
- 5. POEM- Wet Model**
- 6. ESD-Wet Model**
- 7. EUS- Pseudocyst Drainage**
- 8. OTSC Clips**
- 9. Stimulator for ERCP**
- 10. EFTR**
- 11. Endoscopy model**
- 12. ESD model (Simulator)**
- 13. Ella Danis Stent**

PROGRAM SCHEDULE NOVEMBER 2, 2025

DAY - 2
SCIENTIFIC PROGRAMME

08:00 - 08:30 am		: QUIZ
08:30 - 09:00 am		: Breakfast Session
	Topic	: Magnets in GI Practice
	Topic	: Endoscopic Vacuum Therapy (EVT): When & How to do
	Topic	: Sunrise Session- What Excites Most in GI for the Next 5 Years

SMALL BOWEL IMAGING

09:00 - 09:20 am	Topic	: Capsule Endoscopy in Present Practice: Unshaken after 25 years
09:20 - 09:40 am	Topic	: Deep dive Journey with Balloons- Exploring Small Bowel
09:40 - 10:00 am	Topic	: Enterography in 2025:CT vs MR- Which to Choose?

ADVANCED EUS GUIDED PROCEDURES

10:15 - 10:40 am	Topic	: YGCON Oration: Evolution of EUS Therapeutics
10:40 - 11:00 am	Topic	: EUS - Guided Biliary Drainage: CDS- A Shortcut to CBD Drainage
11:00 - 11:30 am	Topic	: Management of Pancreatic Fluid Collections - current concept of best practices PFC's Demystified Modern management of PF
11:30 - 11:50 am	Topic	: EUS - Guided GJ - Evidence, Technical Nuances & Outcomes
12:50 - 12:15 pm		: TEA

IBD & RECENT ADVANCES IN GASTROENTEROLOGY

12:20 - 12:40 pm	Topic	: Differential Diagnosis of IBD: All We Need to Know
12:40 - 01:00 pm	Topic	: Evolving Treatment Landscape of IBD - Biologics and Newer Molecules
01:00 - 01:20 pm	Topic	: IBD Beyond the Gut
01:30 pm		: Vote of Thanks, Final Awards, Closing Ceremony
02:00 pm		: LUNCH

CENTER OF EXCELLENCE
